Dear Friend,

You are cordially invited to join the Democratic Party of Orange County for our "Women's Leadership Awards" on Saturday, April 11 at 11:00AM.

This year we are accepting nominations from our Democratic community to recognize deserving women across Orange County who exemplify local leadership and demonstrate advancement of our Democratic issues and values.

We will feature special guests and speakers that celebrate the women both on the front lines and behind the scenes who work everyday to keep Orange County blue. 2026 will prove to be one of our biggest and most challenging election years to date.

In addition to defending ALL our frontline Orange County congressional seats after passage of Prop 50, the DPOC needs to hold its majority on the Board of Supervisors by re-electing Supervisors Katrina Foley and Vicente Sarmiento and electing Buena Park Mayor Connor Traut. Orange County will once again be an electoral battleground with opportunities to defeat MAGA Republicans at the state level by flipping AD-74 and SD-36.

Energy and enthusiasm are on our side. Engagement in the party and in our clubs is at an all-time high, but we need the resources necessary for training and organizing, ensuring a presence in every neighborhood, communicating to Democratic voters across Orange County, coordinating with our allies, and ensuring victory up and down the ballot.

Your contribution for the Women's Leadership Awards will go directly to securing wins for our endorsed candidates in June and beyond. We would be honored if you would attend the "Women's Leadership Awards" on April 11, 2026.

Please see the following page for sponsorship, payment, and to nominate a deserving woman today!

Democratically Yours in Unity,

Florice Hoffman

Chair, Democratic Party of Orange County
