

**Resolution #21-03-10**

## **RESOLUTION TO REDUCE MILITARY SPENDING**

**WHEREAS**, the U.S. 2021-22 military budget is \$741 billion, larger than the next seven countries combined, eleven times greater than Russia's military budget and four times the size of China's military expenditures, funding 800 military bases in 80 countries; enough nuclear weapons to destroy the earth ten times over; private military contractors operating with little oversight and endless wars in the Middle East that fuel resentment and extremism;

**WHEREAS**, the Pentagon is the largest institutional consumer of fossil fuels and largest emitter of greenhouse gases in the world, worsening an existential climate crisis that is the most urgent threat to national security, while also posing a threat to indigenous peoples of the global south disproportionately suffering the consequences – extreme weather; floods, famine—of a climate crisis that forces mass displacement, with climate refugees criminalized in their attempts to cross militarized borders to the global north:

**WHEREAS**, US military expenditures, \$2 billion a day, more than a million dollars a minute, diverts taxpayer money from needs at home, where, according to the National Priorities Project, a 10% cut to the Pentagon budget could achieve any one of the following priorities if reinvested each year: end homelessness; create a million infrastructure jobs; fund enough renewable energy to provide electricity to almost every household; purchase enough N95 masks for all 55 million essential workers to use one a day for more than a year; send a \$2,300 check to each person who is unemployed in the COVID-19 crisis:

**THEREFORE BE IT RESOLVED** that the California Democratic Party encourages members of Congress to join the House Defense Spending Reduction Caucus, co-chaired by Rep. Barbara Lee (D-CA-CD-13) and Rep Mark Pocan (D-WI-2), vote to cut the bloated US military budget and support a just transition, with union jobs and prevailing wages, for workers in the weapons industry to secure employment in alternative industries.

**BE IT FURTHER RESOLVED** that a copy of this resolution shall be shared with Democratic leadership in the House and Senate, all Democrats in Congress and with the Biden-Harris White House.
